

## AXIMMETRY FORUM USER GUIDELINES

Aximmetry provides a community forum for its registered users to read, discuss and share information regarding the use of Aximmetry software.

Aximmetry aims to create a safe, inclusive, constructive forum environment where users can find informative, lively and intelligent conversation. All aximmetry.com website visitors can read the forum content, users registered on my.aximmetry.com can also post questions, relevant information or comments.

If you choose to engage with the community we kindly ask you to consider other members and be responsible for the quality of the content you are sharing.

### Please **DO**:

- Stay on topic
- Be constructive, specific and factual
- Be respectful to other forum users same way as you would be in a real life conversation
- Check the grammar of your comment before posting

### Please **DO NOT**:

- Repeat information
- Engage in battle with trolls
- Share private information
- Spam
- Include swear words, pornographic or violent content in your posts and comments

### **Moderation:**

Aximmetry Admin will not edit comments.

However, we reserve the right to remove racist, homophobic or other hate-speech contributions from the forum. Aximmetry Admin will also remove potentially defamatory postings or material posted in breach of copyright.

Users who repeatedly act disrespectfully, abusively or misuse the Aximmetry Forum will be blocked.

### **The rights regarding your feedback**

If you provide Aximmetry Technologies with any Feedback via [Forum](#), Aximmetry Technologies is free to use the Feedback however it chooses.

If you make any Contribution available to Aximmetry Technologies, you hereby assign to Aximmetry Technologies all right, title, and interest (including all copyright, patent, and other intellectual property rights) in that Contribution for all current and future methods and forms of exploitation in any country. If any of those rights may not be assigned or licensed under applicable law, you hereby waive and agree not to assert all of those rights.

However, you may continue to freely use any Feedback that you provide to Aximmetry Technologies, and you may continue to use, in any manner consistent with the License.

You understand and agree that Aximmetry Technologies is not required to make any use of any Feedback or Contribution that you provide. You agree that if Aximmetry Technologies makes use of your Feedback or Contribution, it is not required to credit or compensate you for your contribution.

You represent and warrant that you have sufficient rights in any Feedback or Contribution that you provide to Aximmetry Technologies to grant the rights described above. This includes but is not limited to intellectual property rights and other proprietary or personal rights.
